

Support the St. Anthony Community with these Easy Fundraising Programs

Our Parish and the School are parts of one community and they depend on each other for success. You can participate in many fundraising opportunities that benefit both the Parish and the School. Check out this list and see how many ways you can help!

Order Forms

The following fundraisers require you to fill out order forms, which may be picked up at the Parish Center or the School. You can also return your completed order forms to the Parish Center or the School.

Fill out the order form for food you would like to purchase. Your order is then delivered to School and you can pick it up between 4:00-5:30 on a specified Monday. The School gets a percentage of all sales. Contact Denise Freville (248-0925) with questions.

Purchase these cards from School and spend them like a gift card. You can put more money on them as often as you like at Kroger's. The Parish and the School split a percentage of every amount placed on these cards. Contact Vicky Garcia (725-1001) with questions.

Marketplace

Fill out a membership application and indicate St. Anthony School as beneficiary. A percentage of all your purchases goes to the School. Contact Vicky Garcia (725-1001) with questions.

SCRIPS

Fill out an order form for gift cards that you would like to purchase. Then send your form and whatever money you owe to School and in about a week you will receive those gift cards. Each proprietor gives the school a certain percentage of what was purchased. Scrip orders are placed about once a month. Contact Denise Lewis (945-0501) or Karen Akin (282-9980) with questions.

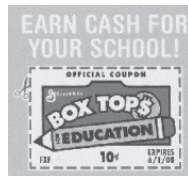

Collect for Dollars

Don't throw away that label, box top, can, or printer cartridge! We can get cash or merchandise for the following:

Remove the UPC code and point indicator or the entire label from your soup cans and other Campbell's products and turn them in to School or the Parish Center. The School earns credit toward free educational merchandise.

Cut the entire box top from specially marked Tyson products and send them in to the School or Parish Center. The School receives 24 cents per box top.

Cut the coupon from specially marked General Mills products and send them in to the School or Parish Center. The School receives 10 cents per coupon.

Send your old printer cartridge in to School and we'll get money for it!

Bring your aluminum cans to the trailer behind School on the first weekend of each month. We earned over \$500 in one month recently!

Restaurant Nights

Watch the School's Wednesday Notes, the Parish Bulletin, and the school marquee for the nights to patronize these local restaurants, who will donate a portion of their proceeds to St. Anthony:

Hey! Why not stick this on the fridge?
